

THE ERA OF INJUSTICE IS OVER

# GLOBAL DAY FOR CLIMATE JUSTICE

An illustration on a dark blue background with a starry, night-sky effect. Several stylized human figures are shown from behind, holding large, white, umbrella-like structures that resemble coral reefs or sea anemones. The figures are rendered in shades of purple, blue, and white. The overall composition is vertical, with the figures and umbrellas arranged in a way that suggests a collective action or protest.

**October 31st-November 12th, global delegates at COP 26 will hold international climate talks in Glasgow.**
